PROJECT

HTML Mockup

---

Hi Andrew,

Good job on completing the project successfully. Your code is well written and I have made suggestions in [blue](#).

**Design****Meets Specifications**

- The DOM tree correctly represents the page content.
- Excellent job on using grid-based layout principles !
- Good use of semantic tags.

**Responsiveness****Meets Specifications**

- The page is responsively designed.
- Page does render correctly across a range of devices and browsers.

**Separation of Concerns****Meets Specifications**

- Page completely separates structure (HTML) from design/style (CSS).

**Code Quality****Meets Specifications**

- Your CSS file meets W3 standards.
- Your HTML file is formatted according to the Google style document and can use the following improvement:
  - [Remove all whitespaces.](#)

**Project Does Meet Specifications**
